Appendix

School Report Run-time settings	<p>Reference Date: Only students on roll at the Reference Date are considered.</p> <p>Report Term: Student grades in the chosen term are considered, or if not present, the system searches for a grade as far back as the previous Summer term.</p> <p>Show Expanded version: The Attendance and Assessment sections of the report will be analysed in to significant sub-groups such as PPA and non-PPA.</p> <p>Year: National Curriculum Year.</p> <p>PA: Prior Attainment for KS2 pupils refers to end of KS1 Average Points Score. Note: Report rows for Prior Attainment sub-groups are always hidden for schools that have not set up either the relevant Keystage Validated Result Set or Average Point Score aspect.</p>
School Details	<p>Pupil Numbers: The number of pupils with Single or Dual Main registration types at the report Reference Date.</p>
Pupil Numbers	<p>On Roll: The number of pupils with Single or Dual Main registration types at the report Reference Date.</p>
Key Pastoral Factors	<p>The following categories are reported: Free School Meals (FSM), English as an Additional Language (EAL), Pupil Premium Allowance (PPM), Those having a recorded Medical Condition, Service Families, In Care, Young Carers, Travellers. Empty categories in the section are always hidden.</p>
Session Attendance Summary	<p>Attendance marks for the current (system) date are not included.</p> <p>AEA: Approved Educational Activity.</p> <p>Present: Includes Lates.</p> <p>Attendance: Present or AEA.</p>
Conduct Summary	<p>Where Behaviour or Achievement incidents apply to multiple pupils, the incident and points are included in the relevant years.</p>
Exclusions	<p>The number of pupils recorded with exclusions at the Report Reference Date.</p> <p>SIMS allows Part Time Exclusions to be recorded without specifying their duration. Such 'zero length' exclusions are included as Exclusions in the report, contributing to the number of exclusions but not to the Total days or Maximum duration.</p>
Achievement Details	<p>Where an Achievement applies to multiple pupils, it is included in the relevant years.</p>
Behaviour Details	<p>Where a Behaviour incident applies to multiple pupils, it is included in the relevant years.</p>
Assessment	<p>Coverage: A quality measure for the assessment information presented in the columns to the left: $N(R)/T$, where N is the number of pupils included in the calculation, R is the number of pupil grades found in the selected Report Term (i.e. for which the system did not have to search back through earlier terms) and T is the total number of pupils.</p>
Key Stage 1/2/3 Attainment	<p>EAL: EAL Steps.</p> <p>P Sc: P Scales.</p> <p>Other: Pre-National Curriculum grades other than EAL Steps and P Scales.</p>
Key Stage 1/2/3 Attainment vs Target	<p>The system uses the next target recorded in the system for each pupil in or after the Report Term, and regresses it at 1 point per Half Term for Key Stages 1 and 3, or half a point per Half Term for Key Stage 2. It then makes a comparison with the grade recorded in or before the Report Term (looking for a grade as far back as the previous Summer Term), to determine for each pupil if they are Above, On or Below target.</p> <p>Attainment vs Target Coverage: Only pupils with both a recorded grade between the Report Term and the previous Summer Term and a recorded target will be included in the figures for Below, On and Above target.</p>

Appendix (continued)

Key Stage 1/2/3 Sub-levels

Progress from previous Key Stage is based on EYFS grades for KS1, end of KS1 results for KS2, and end of KS2 results for KS3.

Average Points Score at Key Stage 1 and 2 is based on each pupil's average of Reading and Writing then averaged with Maths: $((\text{Reading} + \text{Writing})/2 + \text{Maths})/2$.

Sub-levels Progress Coverage: Only pupils with both a recorded grade in or before the Report Term and a recorded previous Summer / previous Key Stage grade will be included in the progress figures.
